#### NEW MAP OF FLORIDA.

Remarkable Offer by The National Tribune, the Great Washington Weekly.

The National Tribune of Washington, D. C., the great weekly published in the National capitol and the organ of the old soldiers and the G. A. R., has just had prepared a new map of Florida, the state which is now the center of interest among all who are tired of the sudden changes from torrid heat in summer to Arctic cold in Winter, and who want a home where the climate is healthful and opportunities to earn a livelihood or acquire wealth under the most favorable conditions.

The population of Florida increased nearly 59 per cent. in the last decade, and will double in the next.

This map The National Tribune has had compiled from the latest surveys of the Government engineers and from the most recent data of the Postoffice Department and lithographed in three colors on a fine quality of plate paper, 28 by 30 inches.

This map will be sent free to any one who will write to the National Tribune and enclose 7 cents in stamps for postage.

Whether you own property in any part of Florida, or are merely interested in the rapid development that is going on in the Peninsula State, this map will be of both interest and value to you, and all you have to do to get it, is to send 7 cents in stamps, for postage.

Whether you own property in any part of Florida, or are merely interested in the rapid development that is going on in the Peninsula State, this map will be of both interest and value to you, and all you have to do to get it, is to send 7 cents in stamps, merely to defray the cost of mailing, and the map will be sent to you at once, securely rolled in a stiff tube.
